

Grading & Light Excavation

An expertly-graded property will save you money in the long run by preventing erosion of your home's foundation.

It can also provide the proper drainage for a great-looking lawn and add to your home's appeal with gently-sloping planting beds and borders.

Casey Wagner is a certified small equipment operator and is highly experienced in grading for patios, walks, walls entries and more.

Please [contact us](#) for a no-cost, no-obligation quote on all your grading or light excavation needs.

For a FREE, No-Obligation Quote, call 610-737-2192 or email casey@backyardutopia.net

We are fully insured and will be happy to provide references upon request.
